

**Request for Public Comments on
Neighborhood Stabilization Program 2 Proposed Program
Enterprise Corporation of the Delta
July 2, 2009**

Enterprise Corporation of the Delta (ECD) and several partner organizations will be submitting a proposal as a consortium to the U.S. Department of Housing and Urban Development in response to the Notice of Funding Availability for Neighborhood Stabilization Program 2 (NSP2) funds published on May 4, 2009 (posted at www.hud.gov/nsp). ECD will be the lead applicant and will be responsible for implementing the program in accordance with NSP2 and HUD requirements. The other members of the consortium are: Associated Neighborhood Development (New Orleans, LA), Habitat for Humanity Bay-Waveland Area (Bay St. Louis, MS), Habitat for Humanity/ Metro Jackson (Jackson, MS), Hope Community Credit Union (region wide), and Tunica County Community Development Corporation (Tunica, MS). The Consortium is requesting public comments on this proposal. If funded, ECD will utilize NSP2 funds to redevelop vacant properties in targeted census tracts in Arkansas, Louisiana, Mississippi, and southwest Tennessee. ECD will be accepting public comments on this proposal until 5pm on Monday, July 13, 2009. All comments may be sent to nsp2comments@ecd.org or to Enterprise Corporation of the Delta, Attn: NSP2 Comments, 4 Old River Place, Suite A, Jackson, MS 39202.

Proposal Overview: The Consortium proposes to create a loan/grant fund, administered by ECD, which provides construction and/or permanent financing to non-profit and for profit developers and other approved applicants for purposes of redeveloping and selling or renting demolished or vacant properties in 881 targeted census tracts as affordable housing, green space or other community assets. Such loans or grants may be for construction or permanent financing, for single family or multi-family units, and for rental or homeownership housing. Loans and grants may also be used to pay for homebuyer counseling for homebuyers. The Consortium is requesting \$25 million to fund the acquisition and redevelopment of vacant properties into at least 625 affordable housing units.

Target Area: The targeted area covers the states of Arkansas, Louisiana, Mississippi, and southwest Tennessee (the “Mid South”). It includes a total of 881 census tracts which are identified as high need by HUD. This includes 79 census tracts in Arkansas, 311 in Louisiana, 311 in Mississippi, and 181 in Tennessee (see Attachment 1 for a full list of the targeted census tractsⁱ).

Eligible activities: If funded, the loan proposed loan/grant fund will be administered by ECD. Applications will be accepted for eligible activities in the targeted census tracts. Eligible activities will include all activities under NSP2 Eligible Use E, “Redevelop demolished or vacant properties as housing”, including but not limited to:

- ◆ Activities eligible under the following sections of Title 24 CFR 570.201
 - (a) Property acquisition
 - (b) Property disposition

- (c) Public facilities and improvements
- (e) Public services for housing counseling, but limited to prospective purchasers or tenants of the redeveloped properties
- (i) Relocation, and
- (n) Direct homeownership assistance, including homebuyer counseling as an activity delivery cost.
- ◆ Activities eligible under Title 24 CFR 570.202, which covers a range of activities including the rehabilitation and preservation of:
 - Privately owned buildings and improvements for residential purposes;
 - Publicly owned residential housing including public housing units;
 - Publicly or privately owned commercial or industrial buildings, if the rehabilitation is limited to improvements to the exterior of the building and the correction of code violations;
 - Non-profit owned nonresidential buildings and improvements;
 - Manufactured housing, when such housing constitutes part of the community's permanent housing stock.

All activities funded through this loan/grant fund must be related to the “redevelopment” of vacant properties. “Vacant properties” includes both vacant land and properties with vacant structures on the land, including residential property, commercial, and industrial property. However, only properties that were developed in the recent past are eligible. “Greenfield” sites are not eligible for redevelopment with these funds.

Income Targeting: All activities with NSP2 funds must meet one of the following criteria:

- ◆ provide or improve permanent residential structures that will be occupied by a household whose income is at or below 120 percent of area median income;
- ◆ serve an area in which at least 51 percent of the residents have incomes at or below 120 percent of area median income; or
- ◆ serve a limited clientele whose incomes are at or below 120 percent of area median income.

At least 25% of the NSP2 funds will be used for the purchase and redevelopment of abandoned or foreclosed upon homes or residential properties that will be used to house individuals or families whose incomes do not exceed 50 percent of area median income.

Project Timeline: In accordance with NSP2 guidelines, 50% of all funds will be expended within 2 years and 100% of funds will be expended within 3 years.

Other Requirements: Each NSP2 assisted homebuyer will be required to complete at least 8 hours of homebuyer counseling from a HUD-approved housing counseling agency before obtaining a mortgage loan. In addition, ECD and the Consortium Partners will ensure that NSP2 assisted homebuyers obtain a mortgage loan from a lender who agrees to comply with the bank regulators' guidance for non-traditional mortgages. ECD and the Consortium partners will seek to incorporate energy efficient, environmentally friendly practices, including but not limited to green building standards in to all NSP2 activities.

Submission of Public Comments: ECD will be accepting public comments on this proposal for the next 10 days until 5pm on Monday, July 13, 2009. All comments may be sent to nsp2comments@ecd.org or to Enterprise Corporation of the Delta, Attn: NSP2 Comments, 4 Old River Place, Suite A, Jackson, MS 39202.

ⁱ The census tracts in Attachment 1 are listed in FIPS Code format. The first 2 digits in this 11 digit format correspond to the state, the following 3 digits correspond to the county, and the remaining 6 digits correspond to the census tract. For example, 28049000800 is the FIPS Code for Census Tract 8.00 in Hinds County, Mississippi.
